General Edward L. Bartlett.

Santa Fe N. M.

Dear General:-

Returning from the diggings I find your letter of the 8th inst regarding the bal due you as fees for attending to business for me.

I will return to the mines to morrow and will send you a memorandum of the claims still unpaid and due me from the railroad company and it is possible that you may collect same.

Aside from this it is at this time impossible for me to pay a cent for the reason that I have it not.

If I had it it would not be necessary for you to call my attention in order to secure payment.

Yours truly..

W. H. H. Jewell
