Mr. W. D. Bowman

Las Cruces N. M.

Dear Sir:

I have accepted a position at El Oro, Mexico with a large mining company and as they ask for references I thought you might give me a letter that I could forward with others I have, from our Superintendent here, and W. H. Becker Banker, Hillsboro & others. I will appreciate it very much if you can do me the favor.

I am making the change, because it will be to my interest to do so and am leaving this company with good recommendations. Kindly answer soon to oblige
Yours truly
E. Burr
