

MEMORANDUM

TO: Steve Frost, Coal Geologist, NMBMMR

FROM: H. B. Nickelson, Mining Geologist, Consultant, NMBMMR

SUBJECT: Reclamation evaluation for OSM, Gallup Field, J. G. Bevan Mine
(Bevey, Bovay)

J. G. Bevan Mine / 3600' NL, 200' EL, 15-15-18, Location 80
Gallup East

The mine was opened in November, 1932, by J. G. Bevan, according to the USGS engineer (map enclosed, SF 054967, Fellin Prospect).

The examiners found indications of the dump, but all evidence of the openings is gone or is not recognizable.

No photos were taken, and no reclamation is needed.
